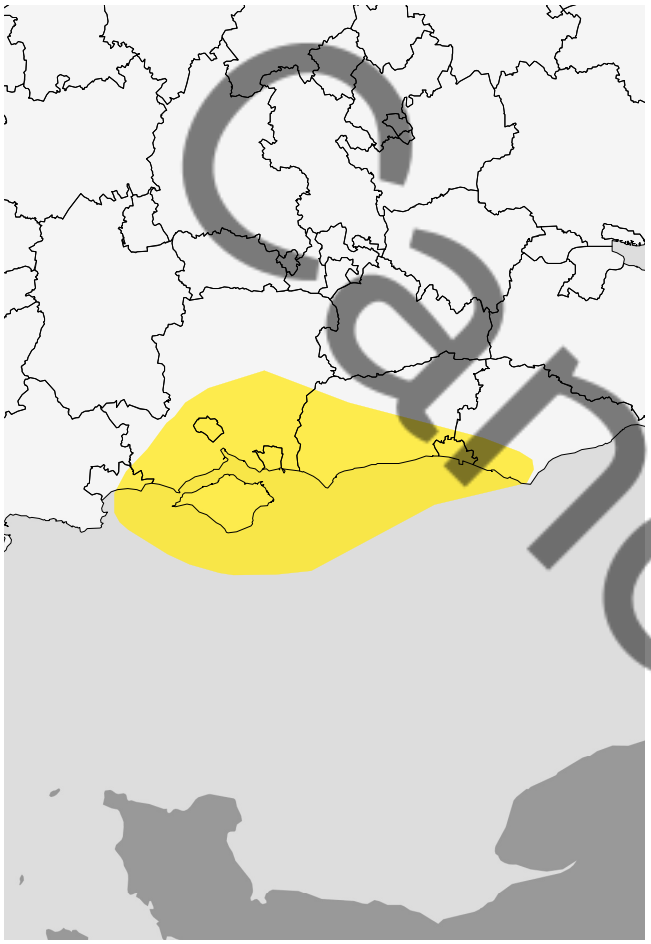
Yellow warning
Rain

Between
04:00 Thu 26 Oct 2023 and
12:00 Thu 26 Oct 2023



Cancelled

Possible further heavy rainfall, falling onto wet or saturated ground, could cause some flooding and disruption in places.

What to expect

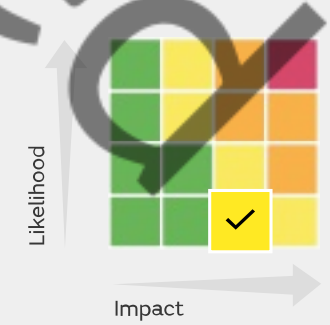
- Spray and flooding could lead to difficult driving conditions and some road closures
- Where flooding occurs, there is a chance of delays or cancellations to train and bus services
- There is a small chance that homes and businesses could be flooded, causing damage to some buildings

Further details

Further areas of heavy rain are possible across parts of southern England late on Wednesday night, and during Thursday morning. 20 to 30 mm could fall within a period of 3 to 6 hours, and perhaps 40 mm overall; should such amounts fall in areas affected by recent heavy rain (especially the rain which fell over parts of the warning area on Wednesday morning), then further impacts might be expected.

Reason for cancellation

The likelihood of significant rainfall across the area has now decreased.



Very low likelihood of medium impacts

Issued at 14:38 Wed 25 Oct, 2023 Cancelled at 05:05 Thu 26 Oct, 2023
